

Weekly Report

Yuxin Ma

01.07.2013 - 01.13.2013

Intro

Final exam of this term will start from Jan, 16th to 21st. This week I spend most of my time on reviews.

Research

This weekend I read all the interactive machine learning papers mentioned last week. The user study and experiment sections will throw light on my project.

Practice & Skills

None.

Miscellaneous

- **Infovis Course** Two presentations have finished this week. Assignments and final reports will be evaluated in these two weeks.

Plan for Next Week

- Final exam review

References

None.
